PROFESSIONAL EXPERIENCE

DOCTOR
MEDICAL OFFICER
January 2021 – Present

- Diagnosed and managed a wide range of acute and chronic medical conditions across internal medicine, pediatrics, and emergency care.
- Conducted patient consultations, ordered diagnostic tests, and created personalized treatment plans.
- Collaborated with senior consultants and multidisciplinary teams to ensure high-quality patient care.
- Monitored patient progress and adjusted treatments as needed to ensure optimal recovery.
- Educated patients and families on disease prevention, medication usage, and follow-up care.
